

The Greek Coffin Mystery, 2013, 352 pages, Ellery Queen, 0143125141,
9780143125143, Penguin Group USA, 2013

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brontë's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Q is for Queen. Ellery Queen is a fictional detective regarded by many as the definitive American detective-hero, rivaling Nero Wolfe as the successor to Sherlock Holmes. "Ellery Queen" also serves as the joint pseudonym for the creators, cousins Frederic Dannay and Manfred Lee. In a successful series of novels and short stories that covered 42 years, Ellery Queen was the best known American fictional detective during the 1930s and 1940s. *The Greek Coffin Mystery* (1932) is considered one of the earliest, most popular, confounding, brilliantly plotted classic whodunit mysteries of the Ellery Queen series, involving a dead and blind art dealer, a slain forger, a stolen priceless painting and the disappearance of a mysterious will from a New York townhouse full of suspects. During the funeral of famous art dealer Georg Khalkis, the metal box containing his last will and testament had vanished from the library safe. Son of a New York cop, Ellery Queen, a young master of deduction, orders a search of the coffin. To the horror of both detectives and mourners, when the coffin is unearthed, a second corpse, strangled and decaying, is found with the late Georg Khalkis.
